

UAS Community Update

March 1st, 2024

The following is a list of UAS deployments for February 2024:

Below is an overview of the small unmanned aerial systems used for the last month

- On February 2nd at 6 pm, officers deployed a drone in the area of 2200 block of White Bear Ave looking for juvenile suspects wanted in a shooting. The drone recorded one juvenile being taken into custody by officers.
- On February 3rd at 4 pm, officers assisted North Saint Paul with a burglary at a school under construction. Officers observed three suspects in the school, and officers deployed an interior drone to attempt to locate the suspects.
- On February 9th, officers flew a demonstration flight at the police department.
- On February 10th at 9:16 am, officers checked the wooded area by Ariel and 13th Ave for two people wanted for warrants who had previously fled from officers.
- On February 20th at 12:40 am, officers located abandoned property near an open pond on the City Hall campus. The area was checked with negative results.
