

UAS Community Update

July 1st, 2024

The following is a list of UAS deployments for June 2024:

Below is an overview of the small unmanned aerial systems used for the last month

- On June 2nd at 3 am, officers assisted Roseville Police in looking for a burglary suspect in the 200 block of North McCarron Blvd W.
- On June 7th at 3 pm, officers were called to gun pointing incident. The vehicle involved was registered to a residence where officers observed a burglary had just occurred. Officers used the drone to assist in clearing the inside of the home.
- On June 9th at 6 pm, officers assisted Woodbury Police in the 2500 block of Harvester. Woodbury had tracked a wanted fugitive to the address. During Woodbury's operation, Maplewood assisted with interior and exterior drone use. The suspect was taken into custody.
- The week of June 24th an officer took a multiday course in drone use and conducted multiple training flights.
