Reference City Ordinance Sec. 32, Art. VI., driveway must have 5 foot flair on both sides at edge of street. Driveways must be at least 5 feet from side lot line. **Driveways paved within the street right-of-way at owner's risk.**

If driveway is on a Ramsey County road, a County ROW permit is required.

I, the undersigned, make application for permission to construct the access driveway at the above location, said driveway to be constructed to conform with the regulations of the City of Maplewood and to any special provisions included in this permit. No work in connection with this application will be started until application is approved and the permit issued. All work will be done to the satisfaction of the Maplewood Public Works Department. If the existing street is disturbed as part of the permit, it is understood the street will be restored to the condition as required by the ROW permit. It is agreed no excess excavated materials from this site will be dumped on site.
