City of Maplewood

Wetland Classifications

Adpoted on December 14th, 2009

Legend

Wetland Classification — Buffers

- **Manage A** — (100')[1]
- **Manage B** — (75')[1]
- **Manage C** — (50')
- **Storm Water Pond** — (10' building setback)

[1] Average wetland buffers may apply. Refer to the City Wetland Ordinance

Wetland Classification for Wetlands Adjacent to Lakes — Buffers — Lakes

- **Manage A** — (75')[2] — Beaver & Kohlman
- **Manage B** — (50')[2] — Oehrline, Spoon & Wakefield
- **Manage C** — (50')[2]

[2] Alternative wetland buffers for wetlands adjacent to lakes will sunset on December 31, 2012, or when the City adopts a new Shoreland Ordinance which will regulate these wetlands, whichever comes first.

- **Watershed Boundary**
- **City Parks**
- **City Open Space**
- **County Parks**
- **Regional Parks**
