

National Register of Historic Places Listings in Minnesota

This searchable list of Minnesota's National Register of Historic Places (NRHP) nominations contains basic listing information on approximately 1,750 nominations processed by SHPO and accepted by the National Park Service. This list does not include individual resources within listed historic districts. As our work continues with the program, SHPO will update this list to reflect changes to Minnesota's listings. If you would like a digital copy of a nomination, please email the NPS Reference Number (NRIS) and the Historic Name to DataRequestSHPO@state.mn.us (<mailto:DataRequestSHPO@state.mn.us>). Staff will respond with the information as soon as we are able. (Table updated 05/2022)
