Notice of Availability for Century Ponds Environmental Assessment Worksheet (EAW)

Maplewood, Minn. – As the Responsible Governmental Unit (RGU), the City of Maplewood has prepared an Environmental Assessment Worksheet (EAW) for the Century Ponds residential development. The notice of document availability will be published in the *EQB Monitor* on July 1, 2025.

The Century Ponds project is a proposed low-density development consisting of single-family homes and townhomes on a 92.25 acre former golf course in the City of Maplewood, Ramsey County, Minnesota. It is located in the southwest quadrant of Lower Afton Rd E (CSAH 39) and Century Ave S (CSAH 25) and will include internal roads and connection to municipal utilities. The EAW can be accessed electronically on the City of Maplewood's website at:

www.maplewoodmn.gov/centuryponds

The City will accept public comments on the EAW through July 31, 2025 at 4:00 PM, directed to:
